NUMBER 13-

## Right at the Beginning

Of the season we have gone through our stock of shoes and collected some hundred odd pairs of men's and boys' oxfords in tans, gun metals and patent leathers. These shoes retail from \$3.50 to \$4.50 per pair, and in order to close them out we make the extremely low price of per pair

# \$1.50

Every pair is a bargain. You will find these bargains on our two front tables.

Our line of men's and women's oxfords is complete, and you will find the styles right.

Don't forget the Walton shoe for boys and girls. A new pair if not satisfied.

We have a nice line of summer dress goods, consisting of embroidered voile, crepe, tissue ginghams, spider silks, new shades, rice voiles, and many others of the latest materials.

Considering the merchandise, you will find prices lower than the lowest. Come and see.

Saturday we will offer bleached pillow tubing, a good grade, at 10c the yard. Come and get yours.

## Babies Prettier Than Ever.

Even in the midst of war France finds time to rejoice over the fact that its babies born during the past six months are healthier and prettier than ever before. It is a source of much pride to the republic.

But pretty babies is becoming an old story in America, and no longer occasions more than passing comment.

Of all the civilized people of the earth, there are no healthier babies born than those of the United States.

Of all the peoples of the world, there are none so pretty as our American babies.

And of all the pretty babies in existence, there are none to compare with the babies of our own town.

Our babies are the acme of perfection and beauty.

And if you doubt our simple word, just ask the mothers.

## A Big Plum--Grab It.

There's a juicy commercial plum right within our reach.

Prior to the war Russia imported nearly all of her manufactured articles from Germany, enormous quantities of them.

Now Russia seeks to establish close trade relations with the United States.

She wants to buy her hundreds of millions of dollars worth of supplies from us, and she has the gold with which to pay.

Great possibilities for the future are opened up to the manufacturers of this country, if they will but grasp them.

It will require the adjusting of financial conditions to harmonize with those existing in Russia in the matter of credits, which are quite at variance with our American methods.

But what Germany has been able to do, we can do, if we try.

It is a simple matter for our great manufacturing interests to send representatives to Russia and pave the way for this tremendous volume of business.

It is too big a plum to be cast aside, and it is to be hoped manufacturing and financial men of affairs will be equal to the emergency.

## The Man Who Advertises.

There are two classes of merchants, those who advertise, and those who do not.

The man who advertises has the best of the deal.

He keeps himself before the public, he keeps his wares before the public, and he keeps their quality and price uppermost in the public mind.

People talk about the man who advertises, because they know he has something worth advertising, or he wouldn't advertise.

Cobwebs never grow in the store of the man who advertises, because people buy his goods because he does advertise.

People read the advertisements, they look for them and expect to find them, and often end in forgetting the man who does not advertise.

Advertising pays. Get the habit, and grow with your ads.

People Say To Us "I cannot eat this or that food, it does not agree with me." Our advice to all of them is to take a **Renall Dyspepsia Tablet** before and after each meal. 25c a box. M. E. Reddy.

## Don't Wait

Take Advantage of a Baxter Springs Citizen's Experience.

When the back begins to ache, Don't wait until backache becomes chronic;

'Till kidney troubles develop; 'Till urinary troubles destroy night's rest.

Profit by a Baxter Springs citizen's experience.

M. Jarrett, retired carpenter, Main St., Baxter Springs, says: "As a rule, I have a supply of Doan's Kidney Pills in the house, getting them from M. E. Reddy's Drug Store. Several years ago, I first took them and now I use them still, whenever I need a kidney medicine. They always do good work. At one time, my back ached pretty badly and my kidneys acted irregularly. Doan's Kidney Pills strengthened my kidneys and then the pains in my back eased up and the other ailments were corrected. I now depend on Doan's Kidney Pills to keep my kidneys in good shape.

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Jarrett had. Foster-Milburn Co., Props., Buffalo, N. Y. Adv.

The United States pays its president \$75,000 a year in order that he may be free and independent in his actions. And senatorial courtesy sews him up with red tape until he hasn't half the freedom of a kid playing marbles in a neighbor's back yard.

**Splendid for Rheumatism.**

"I think Chamberlain's Liniment is just splendid for rheumatism," writes Mrs. Dunburgh, Eldridge, N. Y. "It has been used by myself and other members of my family time and time again during the past six years and has always given the best of satisfaction." The quick relief from pain which Chamberlain's Liniment affords is alone worth many times the cost. Obtainable everywhere.

Our Advice is: When you feel out of sorts from constipation, let us say that if **Renall Orderlies** do not relieve you, see a physician, because no other home remedy will. Sold only by us, 10 cents. M. E. Reddy.

# The Land of the Snake Dancers

is on your way to

# California's Panama Expositions

The Hopi Indians of northern Arizona hold an annual festival each August in which priests dance with live rattlesnakes in their hands. There are other ceremonies, equally strange, nearly every month. The Santa Fe passes along the edge of the Hopi country and you can see replicas of their curious homes beside the track—or better still, break your journey long enough to visit their pueblos.

"To California Over the Santa Fe Trail" is a breezy guide-book which tells about this enchanted Southwest. I will be glad to give you a copy, also our illustrated Exposition folders and Times of Chances—Grand Canyon.

Remember, the Santa Fe is the only line to both Expositions.

L. B. Smith, Passenger Agent, Room 32, Union Station, Kansas City, Mo.
